IV. Statement of Claim

On April 27, 2020, Petitioner was charged with a total of three (3) Administrative Rule Violations, different rule violations, which occurred at the same place and time, and arose out of the same incident.

Petitioner was found "Guilty" at Disciplinary Court on all three rule violation charges, on the same date, at the same time, in the same hearing and by the same hearing officer and /or judge.

Administrative Regulation 403 is the discipline regulation which governs inmate conduct. The regulation requires that ADOC Employees are responsible for knowing and following the procedures established by this Administrative Regulation and uses mandatory language directing that "witnesses" shall not serve as a hearing officer. On May 7, 2020, at 7:30 a.m. the Administrative Rule Violations alleged by Lt. M. Jenkins and Officer C. Sanders against Petitioner, were heard by Sgt. R. Godsey.

Lt. M. Jenkins specifically names Lt. E. Watts and Sgt. R. Godsey as witnesses to this incident. Officer C. Sanders was not present for the hearing.

In June, 2020, Petitioner filed a Petition For Writ of Certiorari, in the Circuit Court of Montgomery County, Alabama. Contained within the petition were exhibits showing plain language of the 403 discipline regulation, along with the violation of a witness being the hearing officer. A virtual hearing was set for November 17, 2020, at 9:00 a.m. The hearing was never held.

Circuit Judge Greg Griffin ordered the case adjudged and dismissed, further ordering the amount of \$246.00 to be taxed against Petitioner's PMOD account. Before the filing of Petitioner's Petition For Writ of Certiorari, several grievances and requests for disapproval were made to Warden Peters, Captain Johnson and the State of Alabama Department of Corrections Alabama Criminal Justice Center. Per recommendation of Classification

Specialist Betty Stevenson, Petitioner's custody was closed due to the three Administrative Rule Violations without a further glimpse into the Hearing Officer's violation of the same Administrative Regulation.

Officers: C. Oden; A. Hill; were present in the Shift Office on May 7, 2020, during the disciplinary hearing.

C. What date and approximate time did the events giving rise to your claim(s) occur?

May 7, 2020, at approximately 7:30a.m, (Disciplinary Hearing);
April 27, 2020, (date of incident).

D. What are the facts underlying your claim(s)? (For example: What happened to you? Who did what? Was anyone else involved? Who else saw what happened?)

I was placed in Segregation from April 2020, til the present day. I'm being refused medical treatment, and subjected to harassment daily due to other ongoing civil suits.

V. Injuries

If you sustained injuries related to the events alleged above, describe your injuries in detail.

On April 27, 2020, Lt. M. Jenkins, struck me several times with closed fists. My health and mental conditions are declining rapidly due to being housed in Segregation and medical treatment being refused.

VI. Relief

State briefly what you want the court to do for you. Make no legal arguments. Do not cite any cases or statutes. If requesting money damages, include the amounts of any actual damages and/or punitive damages claimed for the acts alleged. Explain the basis for these claims.

I request of the Court to view the facts of and surrounding this case, and overturn the decision made by the Montgomery County Circuit Court. I also request that the Court compel the State of Alabama to imply an appellate procedure on the institutional level for the Administrative Regulation 403. Further, I request \$60,000.00 (sixty-thousand) dollars in actual damages due to being deprived of due process of law; housed in unsanitary and dangerous living conditions; and an additional \$45,000.00 (forty-five thousand) dollars, for the excessive force, cruel and unusual punishment, and harassment, from each defendant that is hereby a party to this action.
